

What is your goal?

To Lead, Train, and Inspire Scouts to become First Class.

How do Scouts become First Class?

By doing things that Scouts do.

What do Scouts do?

Scouts put the Scout oath and law into practice. Scouts go camping, backpacking, hiking, canoeing and all manner of outdoor adventures. Scouts learn skills and apply them. Scouts explore hobbies and careers. Scouts serve their community. Scouts organize and plan their own activities.

Who Makes it possible for Scouts to do these things?

Scouts organize and plan their own activities through the patrol system.

How do Scouts know about these meetings and events?

We communicate the details they need to know and the preparations they need to make.

How are Scouts prepared for these activities and events?

We instruct and train the Scouts so they know the skills and complete the preparations for what they are about to do.

What are the three steps to making things happen?

Time devoted to these steps	5%	Planning	WHO is responsible, WHAT are they responsible for, and WHEN they are doing it
	80%	Preparation	Developing HOW the task is going to be done and WHAT is needed to do it
	15%	Execution	Making it happen.
